At South Coast Construction, we strive to ensure your complete satisfaction with our services. However, due to the nature of construction projects, our refund policy is as follows:

- 1. Project Commencement:** Once construction has commenced, refunds are not available for the total project cost. Any refunds will be assessed based on the percentage of work completed and materials used.
- 2. Material Costs:** Materials purchased specifically for your project are non-refundable once they have been ordered or delivered.
- 3. Cancellation Policy:** If you cancel your project before construction begins, you may be subject to a cancellation fee to cover administrative costs and any preliminary work completed.
- 4. **Disputes:** Any disputes regarding refunds will be reviewed on a case-by-case basis. We are committed to finding a fair and reasonable resolution. For any questions or concerns regarding our refund policy, please contact us directly.
